This program was approved for 5.5 Clinical contact hour(s) of continuing education credit by the National Association of Social Workers—Louisiana Chapter as authorized by the Louisiana State Board of Social Work Examiners; approved by the Louisiana Counseling Association for 5.25 clock hours of continuing education credit and by the ADRA for 5.5 continuing education credit. CEUs available only for participants who remain for the entire day.

Learning Objectives. Participants will:

- Understand the magnitude of suicide through demographic information
- Experience how our attitudes and values affect our role as helper
- Understand, according to Crisis Theory, the development of a crisis as related to suicide
- Achieve increased awareness of the warning signs of distress and symptoms of suicidal thoughts and behaviors
- Discuss suicide with a person at risk in a direct manner; as well as provide intervention by exploring risk factors & developing a safe plan
- Increase your confidence & skills to intervene using Active Listening & a feeling focus model
- Discuss resources available for the caregiver to connect & increase support for the person at risk

Your name will appear on your certificate as entered on the form online. If you register and are not able to attend, please let us know as soon as possible. If you have any questions, please contact Patty Rives at 225-924-1431, or email prives@brcic.org

Thank you for your interest in Suicide 101!
